### ***Who We Are***

For more than a quarter century, **Rock Wel Ent** customers have benefitted from our outstanding industry knowledge and our ability to consistently provide high-quality specialty surgical instruments. Our Instrument Specialists bring years of industry experience to every customer interaction and constantly strive to meet our goal of 100% customer satisfaction.

Known for providing unsurpassed overall value, the instruments we sell are backed by a surgeon satisfaction guarantee. We sell German, American-made, and high-quality instruments that are often sources through the same manufacturers as higher-priced name-brand instrument companies. We will only provide you with a quote on instruments that will match your required specifications and deliver an equal- or superior-quality instrument with substantially more value. And we can reference any catalog number from any company. That's why 99% of our customers report surgeon satisfaction.

### ***How We Work***

Locating and comparing specialty surgical instruments is easy with one mail to **Rock Wel Ent** . You'll be connected directly with an experienced Instrument Specialist who is dedicated to helping you with your instrument needs, not a complicated phone menu.

Our extensive knowledge comes from 25 years of industry experience. And we will only provide you with a quote on instruments that match your instrument specifications and deliver an equal or superior quality instrument with substantially more value.

Our knowledgeable Instrument Specialists are available five days a week, 10 hours a day. We can provide you with a quote over the phone or by email.

Looking for a hard-to-find instrument? Ask the Instrument Guru for help! Quickly locate the instrument you need without days of research by submitting your question.

### Our Scalers

Compare our scalers and curettes with the best in the industry and you will immediately recognize we are equal in every way but one... price. Note the deep precision knurling for better tactile feel. The same high-grade stainless steel tips, the same light weight (under 18 grams) or less hand fatigue, the same professional craftsmanship, and surpassing the highest industry standards. Of course, any manufacturer can make these claims, but we guarantee and certify ours.

- High-polish mirror finish tips.
- Manufactured within the guidelines of the FDA quality assurance system for good manufacturing practices.
- Highest grade German stainless steel, razor sharp, durable tips. Rockwell hardened to 60 RHc.
- 27 of the most popular designs from graceys to McCalls to columbias, and many european patterns.
- All instruments are guaranteed against defects in material and workmanship.

- All instruments bear the ce mark, emblematic of the european community's highest standards.
- Customer satisfaction guarantee, too!
- Less than 20 grams ... Lightweight for less hand fatigue.
- Manufactured to the most exacting standards so the 50th instrument you buy is exactly like your first.
- You decide ... Why pay more for the same high-quality instruments?
